LOUIS VUITTON 37TH AMERICA'S CUP BARCELONA

OVERVIEW

Between August and October 2024, the competition for the oldest trophy in international sport will be hosted on the beautiful shores of Catalonia, specifically along the beach between Barcelona's Port Vell and Port Olímpic. The sailing world is getting ready to make Barcelona their home for what promises to be one of the most intense competitions in the event's 173-year history.

This is the race with no second place. Either you win or you lose, and it has been like this from the very beginning. Dating back to 1851, the America's Cup continues to be one of the most challenging endeavors in sporting history. This year's format offers a huge range of world-class racing across the event calendar, including the UniCredit Youth & Puig Women's America's Cup Programmes, all of which can be enjoyed from our exclusive AC37 Club hospitality area.

The Louis Vuitton 37th America's Cup Barcelona attracts a diverse audience, from hardcore sailing enthusiasts to sports fans and those simply in awe of the sights and spectacle of the race boats in action, taking place in one of the most iconic cities in the world.

The event offers a unique fusion of athleticism and innovation. The impressive race machines, crafted exclusively by their representing countries, contribute to the competition's uniqueness, with an emphasis on cutting-edge technological advancement.

The AC37 Club Official Hospitality Programme has been created to take your America's Cup experience to the next level. With a special emphasis placed on gastronomy and race entertainment, The AC37 Club has been designed to cater to your home comforts, while offering maximum enjoyment throughout the competition.

THE TEAMS

Emirates New Zealand are the reigning America's Cup holders (known as the Defender) and will orchestrate a series of races involving five teams from other countries (the Challengers).

The ultimate winner from all the Challengers will take on the Defender in the hope of winning the most prestigious trophy in all of sailing, the America's Cup.
